Shades of Green:

An Eco-Friendly Renovation House Tour

Presented by Blue Rock School

10am to 4pm, Rain or Shine

Featuring a fabulous assortment of renovated homes in Nyack and Upper Nyack, each with distinctive "green" elements, from solar paneling and a salt-water pool system to earth-friendly, organic gardens and energy-efficient appliances. Plus, Upper Nyack's Hook Mountain Growers will be selling organic seedlings!

Tickets are \$35 in advance, \$40 of tour

Includes admission to reception at the Hopper House.

For information call 845-267-8268 or visit bluerockschool.org

**All proceeds to benefit the Blue Rock School Scholarship Fund
Blue Rock School - Where Every Child is an Honored Student**

Blue Rock School, located at 110 Demarest Mill Road in West Nyack, is a progressive day school offering K through eighth grade with a challenging and creative curriculum, small classes and a joyful learning environment.
